

BELTON BOYS

EN 10-11 – Southwest Type Conference

**Grand
Champion
Boar**

Our Duroc boar entries at the 2005 Southwest Type Conference in Belton, Texas, got the job done. Thanks to **Triple B Genetics, Okla.**, for purchasing 10-11, the grand champion boar, a son of MTCH2 Next Generation 3-3. His littermate, 10-8, earned the title of reserve grand champion boar and sold to **Bryan Barnett, Ill.**

We also extend thanks to the other buyers who purchased our Yorkshire and Duroc gilt entries in Belton. Look for more good entries this summer from CPG.
