## STARTS NOW!

We are excited to announce the opening of our new boar housing facility and semen processing lab—and we've included you in our celebration. From January 1 to August 16, 2007, all semen from boars housed at Center Prairie Genetics is 1/2 price. Don't pass up this opportunity to add some of the industry's best genetics to your herd at a reduced rate.

For a complete list of the boars available at CPG, including photos and pedigrees, visit our Web site at [www.centerprairiegenetics.com](http://www.centerprairiegenetics.com).

**Call and place your order today.**
